WHAT HAPPENS TO THE FORMER CHAMPIONS?

That's a good question and should be of interest to everyone breeding Polled Shorthorns and especially to those looking for a good bull in 1959.

Let's briefly take a look at what has happened to the top bulls of recent Omaha Polled Shorthorn Sales. Last year's Champion Bull, for example, The Pattern (pictured above) was purchased by C. B. Teegardin & Sons, Ashville, Ohio, for \$1,500 from Otto Johnson & Son, Lohrville, Iowa. His services were featured in the Teegardin sale last May, and in the Teegardin show string this past season he placed 1st in class at the Ohio State Fair, 1st at the Mid-South show against horned competition at Memphis, Tenn., 2nd at the Kentucky State Fair against horned competition, and 2nd in class at the recent International Livestock Show at Chicago. He has now been retired for herd sire service in the noted Oakwood Herd.

1957 Omaha Champion, Juggler's Seal x was purchased by W. H. and Walter Dilatush, Millington, Tenn., for \$1,300 from Lou Laughlin, Imogene, Iowa. This is the second Omaha Champion the Dilatush's have purchased, as they also bought the 1954 Omaha Champion Bull, Juggler's Type x from E. P. Laughlin, Imogene, Iowa, and this bull has done a great job of siring many outstanding sons and daughters in the Wa Wylo Fam herd.

R. R. Johnston, Dancy, Ala., bought the 1956 Omaha Champion Bull, Barmpton Gloster 24th for \$1,085 from Elvin Britt & Sons, Abilene, Kans., and this bull has generally been regarded as one of the finest in the entire South.

Fred W. Smalstig of Pittsburg, Penna., came out to Omaha in 1955 and paid \$1,500 for Defender's Glory, the Grand Champion son of Defender's Nugget, consigned by Otto Johnson, Lohrville, Iowa.

It is interesting to note that in the past 10 years the Champion and top selling bulls at Omaha have sold to buyers from Missouri, Nebraska, Idaho, So. Dakota, Tennessee, Pennsylvania and Ohio.

Thus, the Omaha record speaks for itself, and we want to assure you that, without a doubt, the greatest set of Polled Shorthorn bulls ever offered at Omaha in 44 years will be sold on February 12, 1959.

At Iowa State Fair, we had a very strong Polled show, he was our anchor there. He has a right to be good as his sire was first prize bull at the International in '54 and '55. V V PRESIDENT 37th - We think this is the best bull we have ever produced. His sire, V V President x, is doing a most consistent job of siring both bulls and females. His dam has produced three herd bulls for us, and she is a half-sister to the best pair at the National Congress Show and Sale at Kansas City. Our 1957 Nebraska Futurity bull was a half-brother to V V President 37th. Valley View Rose 2nd has been selected by many as the best cow in our herd, and this is the first bull calf she has produced, although we have three of her daughters in the breeding herd. V V President 37th, is a solid, very dark, rich red bull. He has a great head, is short-legged and wonderfully balanced. He's only for sale because he is so closely related to every female in our herd.

**Standard Guarantee of the
American Shorthorn Breeders'
Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

Outlook for '59

Beef Cattlemen in Tune For a Good Year Ahead

As far as prices for cattle are concerned, the economists see 1959 as not too different from 1958, inasmuch as cattle slaughter and beef output are not expected to change greatly. A world of feed in practically every section of the country, that can be best marketed through beef cattle, certainly points to a great demand for good Shorthorns and Polled Shorthorns.

**Your pick of VALUES--
Gaining Ability ... Quality ...
Beef Type ... Top Bloodlines!**

Again, OMAHA offers the most in QUALITY and largest number of Polled Shorthorn bulls to be offered in any one sale in America Plan now to see this fine array of top herd bull prospects consigned by leading breeders of the Midwest. Come a day early and attend the Shorthorn sale in the same location on Wednesday, February 11.
